Zepto

Not used to blinkit

Cant trust blinkit for medicines.

Handling charge

Blinkit chargee handling fees

Hona chahiye

Becoz sometimes blinkit takes extra money

Nothing

Some product in not my location

Electronic accessories - Need in person experience, so would rather buy from a local shop

Depending when you needs options and varity 🌹

Expesive and date of expire

Nothing special

Nykaa is more trustworthy for cosmetics

I love to go outside and explore new groceries

I want the sealed items to be delivered and something which requires the checking and hand picking. I want to do it myself

I feel trusting Amazon/ Flipkart is better option when buying electronics.

Rate comparison

You maybe have not explored those products

NA

Blinkit includes hidden charges or unfair hidden charges

Cheaper prices

Mostly for price concern

Because market offers more fresh eatables.

Not installed sometime

Easy access

Pricing, minimum order value and handling fees

Because product unavailable

Trust

Out of stock

Not specific

Wherever find cheap price

I do not associate these items with Blinkit.

blinkit is lil bit expensive than zepto

More Fresh items

I had a good experience at Blinkit

amazon have more variety

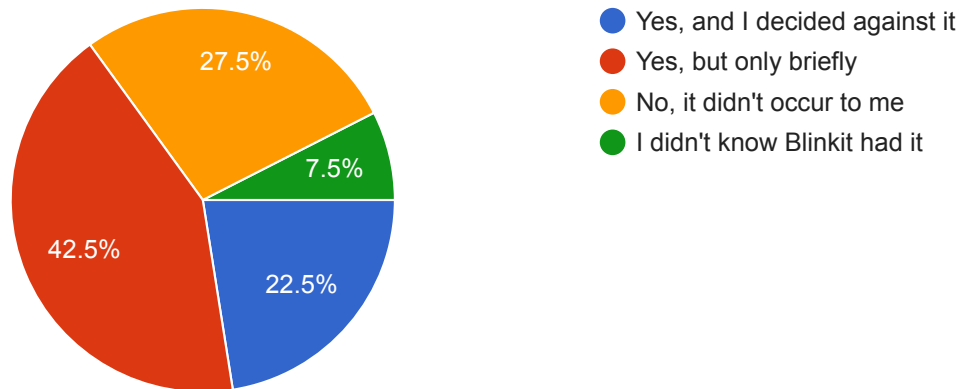

Fruit and vegetables are not fresh sometimes specially fruits. And makeup products are mostly damaged.

Because pharmacist have knowledge about medicine better than normal people. So we can easy consult with them for normal problem related to health

Nothing

For medicines or electronics. Not sure about the quality.

Handling charges

Some product price high

Pricing issue

Makeup

No comments

Electronics , exchange is tough

Medicines, vape, Tobacco

Maybe the expiry, or trust with I order which requires my supervision

I feel like for electronics its not reliable.

No don't think

Zepto

Blinkit is a nice place to order things but sometimes there's issue when we put cash on delivery. I prefer cash on delivery in case something happens to my order because the online transactions are a hassle to carry forward if there is any issue with it. Sometimes it does not show cash on delivery

Sometime based on timings

Sometimes prices are higher than zepto

Vegetables and fruits

Price and quantity

None

NA

lower the Prices

Electronics bcs their return policy is not as robust as on amazon

Blinkit is good app to buy anything, but sometime prices quite high

It is a good place.

"Blinkit is great for groceries, daily essentials, and urgent deliveries. However, I don't think it's the best place to buy high-value electronics or products where customers usually want to compare many options, see detailed specifications, or try the product before purchasing.

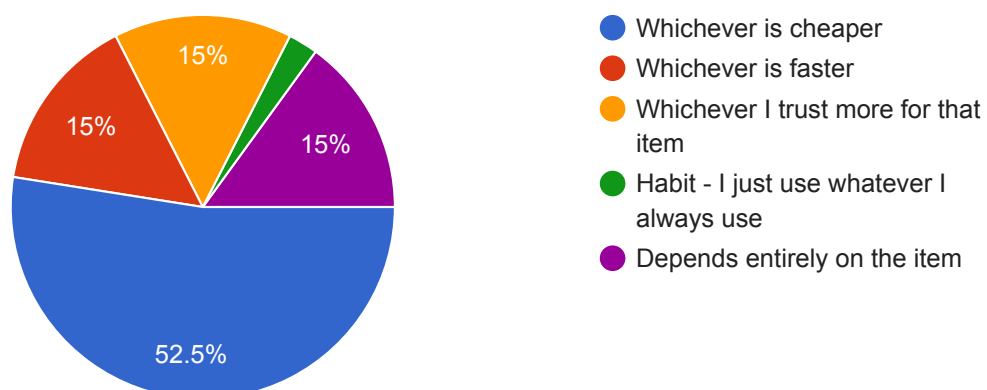

no good brands

Fruits and makeup
